

**22 July 2008**

**Dear Kim Vermaak**

On behalf of the children the community we serve, the staff together with the board members of Ikageng Itireleng Aids Ministry, we would like to express our deepest gratitude for your generous and heartfelt donation of 58 body warmers that we received on Thursday the 17 of July delivered by night wing Couriers.

The warmers were distributed to a group of kids who belong to a support group called Jumpstart; the group meets once a month in Victory Park at a catholic church. Thank you very much; we appreciate all the effort that has been put towards this amazing contribution. We value your assistance which helps and will continue to help us do our work with a little more ease.

Thank you for ensuring that the needs of our children have been met.

Sincerely,

**Carol Dyantyi**

Founder and Programme Director
